#### KENBROOK SCHOLARSHIP INFORMATION

Dear Friend,

Thank you for your interest in Kenbrook's Scholarship Program. Scholarships are made possible through donations from both individuals and organizations, not from the fees we charge our campers. All prospective applicants in financial need, both individuals and families, are eligible to apply for financial assistance, but we cannot guarantee every request will be honored.

#### SCHOLARSHIP GUIDELINES

1. The Scholarship Program is designed for financially needy and deserving individuals and is not available for groups or churches.
2. Scholarships are only available for Kenbrook sponsored programs and events.
3. Each scholarship application must be accompanied by a \$25.00 application fee, a completed scholarship form, and a completed registration form for the program or event.
4. Applicants who have never received a scholarship from Kenbrook will be considered first.
5. Scholarships will be awarded by the Executive Director in the following order:
  1. Single Parent Families
  2. Pastor or Missionary Children
  3. First time applicants
  4. Returning participants who apply for the first time
  5. Returning participants who have received scholarships in the past and apply again
  6. Families sending more than one child
6. It is the intent of the Scholarship Program to be a cooperative effort between the applicant, the home or sponsoring church, and Kenbrook. We require financial participation from both the applicant and the local church.
7. The Executive Director will review all applications and award scholarships. Scholarships will be awarded based on the individual need as stated in the application and by information received from references. Scholarships will not be granted until all requested information is received. Application does not guarantee a scholarship will be awarded. Applications will be processed in the order in which they are received. It is to the advantage of the applicant to expedite information.

#### STEPS TO TAKE TO APPLY FOR A KENBROOK SCHOLARSHIP

1. Complete a scholarship application form. Please be sure to have your pastor complete his part.
2. Complete the registration form for the program or event you would like to attend.
3. Mail scholarship application, registration form, and application fee to Kenbrook.
4. Please contact Kenbrook if you have any questions.

Sincerely,

Dan Krug  
Executive Director
